ST. JOHNS COUNTY
RESOLUTION NUMBER 2005-292

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, STATE OF FLORIDA, MODIFYING THE WORLD COMMERCE CENTER DRI DEVELOPMENT ORDER AS PREVIOUSLY APPROVED BY ST. JOHNS COUNTY ON DECEMBER 10, 2003, UNDER RESOLUTION 2002-267; FINDING THE MODIFICATION DOES NOT CONSTITUTE A SUBSTANTIAL DEVIATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Anthony S. Robbins, AICP, the authorized representative of World Commerce Center, L.L.P, has submitted a Notice of Proposed Change (NOPC) to the World Commerce Center Development of Regional Impact (DRI) by letter dated July 1, 2005, requesting modification to the Development Order Special Condition 23(a) to extend a construction commencement date; and

WHEREAS, the Developer submits that the changes proposed in the NOPC do not constitute a substantial deviation pursuant to the terms of Section 380.06(19) of the Florida Statutes and the Developer has provided evidence that such changes do not constitute a substantial deviation under any provision of Section 380.06 (19) of the Florida Statutes; and

WHEREAS, the Board of County Commissioners has reviewed the NOPC and considered the evidence presented and whether the proposed modification constitutes a substantial deviation to the DRI requiring further DRI review at a public hearing held August _____, 2005, after required notice.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA:

1. The following facts and conclusions of law are established by clear and convincing evidence to support this Resolution:

   a. The requested changes to not constitute a substantial deviation pursuant to the terms of Section 380.06(19) of the Florida Statutes because there is no change in either the development rights or increase in impacts from those approved World Commerce Center DRI Development Order.

   b. The changes requested in the NOPC area consistent with the Land Development Code of St. Johns County, as amended.

   c. The changes requested in the NOPC are consistent with and further the objectives of the St. Johns County Comprehensive Plan 2015.

2. The World commerce center DRI Development Order, Special Condition 23(a) is hereby modified to reflect an extension of the construction commencement date:

   a) No later than March 31, 2006, the Developer shall commence construction, or at the Developer's option pay to St. Johns County the full cost, including the costs of any right-of-way acquisition, if necessary, as agreed to by the County for the four-laning of
International Golf Parkway from the western entrance of World Golf Village to S.R. 16. The foregoing notwithstanding, the commencement date expressed herein does not contemplate permitting delays that are beyond the control of the Developer, including, but not limited to approvals from the St. Johns County School District, FDOT, Army Corps of Engineers and St. Johns River Water Management District. In the event Developer can demonstrate to the reasonable satisfaction of the Assistant County Administrator for Operations that it has diligently pursued such permitting, and that any such permitting delays are, in fact, beyond the Developer’s control, the commencement and completion dates may be extended by the County without the necessity of the Developer filing an additional Notice of Proposed Change and for the length of time that the County deems appropriate. In no event, however, shall commencement be extended beyond December 31, 2006. Once commenced construction shall be completed within eighteen (18) months.

3. Except as modified by this Resolution, the existing World Commerce Center DRI Development Order shall remain in full force and effect.

4. A certified copy of this resolution, complete with all exhibits, shall be rendered by St. Johns County within ten (10) days of its adoption by certified mail, return receipt requested to the Developer, the Florida Department of Community Affairs, and the Northeast Florida regional Council.

5. This Resolution shall take effect upon its adoption.

PASSED AND APPROVED BY THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA THIS 4th DAY OF AUGUST 2005.

NOTIFICATION OF A PROPOSED CHANGE TO A PREVIOUSLY APPROVED DEVELOPMENT OF REGIONAL IMPACT (DRI)
SUBSECTION 380.06(19), FLORIDA STATUTES

Subsection 380.06(19), Florida Statutes, requires that submittal of a proposed change to a previously approved DRI be made to the local government, the regional planning agency, and the state land planning agency according to this form.

1. I, Anthony S. Robbins, the undersigned authorized representative of World Commerce Center, LLP, hereby give notice of a proposed change to a previously approved Development of Regional Impact in accordance with Subsection 380.06(19), Florida Statutes. In support thereof, I submit the following information concerning the World Commerce Center development, which information is true and correct to the best of my knowledge. I have submitted today, under separate cover, copies of this completed notification to the St. Johns County, to the Northeast Florida Regional Council (formerly the Northeast Florida Regional Planning Council), and to the Bureau of Local Planning, Department of Community Affairs.

Revise Special Condition 23(a)'s construction commencement and completion dates.

5. Provide a complete description of the proposed change. Include any proposed changes to the plan of development, phasing, additional lands, commencement date, build-out date, development order conditions and requirements, or to the representations contained in either the development order or the Application for Development Approval.

Indicate such changes on the project master site plan, supplementing with other detailed maps, as appropriate. Additional information may be requested by the Department or any reviewing agency to clarify the nature of the change or the resulting impacts.

On April 27, 2004, the Developer began design and engineering of the road improvement specified in Special Condition 23(a) of the World Commerce Center Development Order. Subsequent revisions and changing positions of the County Staff reviewing the proposed improvement in concert with difficulty in obtaining the necessary right-of-way have resulted in substantial delays in obtaining approval of acceptable construction plans. The Developer met with County Administration as well as representatives from the County’s Engineering Division and Public Works Department on June 20, 2005. It was suggested by County Administration at that meeting that based on the current status of the improvement, it is unlikely that commencement of construction will occur before December 31, 2005 and thus construction will most likely not be completed by July 1, 2007 and a NOPC should be pursued.
6. Complete the attached Substantial Deviation Determination Chart for all land use types approved in the development. If no change is proposed or has occurred, indicate no change.

The Substantial Deviation Determination Chart for all land use types approved in the World Commerce Center DRI is included as Exhibit A on page 6.

7. List all the dates and resolution numbers (or other appropriate identification numbers) of all modifications or amendments to the originally approved DRI development order that have been adopted by the local government, and provide a brief description of the previous changes (i.e., any information not already addressed in the Substantial Deviation Determination Chart). Has there been a change in local government jurisdiction for any portion of the development since the last approval or development order was issued? If so, has the annexing local government adopted a new DRI development order for the project?

8. Describe any lands purchased or optioned within ¼ mile of the original DRI site subsequent to the original approval or issuance of the DRI development order. Identify such land, its size, intended use, and adjacent non-project land uses within ¼ mile on a project master site plan or other map.

There are no lands purchased or optioned within ¼ mile of the DRI site since approval of Amended Development Order, Resolution No. 2002-267.

Do you believe this notification of change proposes a change which meets the criteria of Subparagraph 380.06(19)(c)2., F.S.

The requested NOPC does not require any modification to the approved master site plan.

13. Pursuant to Subsection 380.06(19)(f), F.S., include the precise language that is being proposed to be deleted or added as an amendment to the development order. This language should address and quantify:

e. A proposed amended development order date until which the local government agrees that the changes to the DRI shall not be subject to down-zoning, unit density reduction, or intensity reduction, if applicable; and

Not necessary as the date contained in General Condition 6 of the Development Order shall remain in effect.

f. Proposed amended development order specifications for the annual report, including the date of submission, contents, and parties to whom the report is submitted as specified in Subsection 9J-2.025 (7), F.A.C.

None are proposed as part of this request.
