JOHNS COUNTY; ESTABLISHING MITIGATION REQUIREMENTS FOR REGIONAL IMPACTS; PROVIDING DEVELOPMENT BUILDTOUCH DATES; ESTABLISHING AN EFFECTIVE DATE.

LET IT BE KNOWN that, pursuant to Section 380.06, Florida Statutes, the St. Johns County Board of County Commissioners heard at duly noticed public hearing convened on June 6, 2017, an application for amendment to a Previously Approved Application for Development Approval for a portion of Twin Creeks, pursuant to Section 380.06(19)(e)2 (2016) in the manner described herein.

RECATALS

WHEREAS, the St. Johns County Board of County Commissioners considered the report and recommendations of the St. Johns County staff, and the documents and comments upon the record made before the St. Johns County Board of County Commissioners; and

WHEREAS, a development order was originally approved by the St. Johns County Board of County Commissioners by Resolution No. 2005-208 (the "Original Development Order") which created the Twin Creeks Development of Regional Impact ("DRI"); and

WHEREAS, the DRI is a proposed mixed-use development of approximately 3,037 +/- acres located on the North and South portions of County Road 210, west of U.S. 1;

WHEREAS, a Notice of Proposed Change was approved by Resolution 2006-10 removing thirteen (13) acres from the DRI for workforce housing; and

WHEREAS, a Notice of Proposed Change was approved by Resolution 2015-239, which approved a separate amended and restated development order, including separate mitigation for transportation, school and environmental impacts, for approximately 630 +/- acres of the DRI owned by Heartwood 23, LLC (the "Amended and Restated Development Order");

WHEREAS, the Applicant has submitted an application for amendment to approved development order, pursuant to Section 380.06(19)(2)e, Florida Statutes (2016), to amend the portion of the existing Amended and Restated Development Order concerning school mitigation
so that said section is consistent with the Amended School Proportionate Share Mitigation Agreement approved by the School Board of St. Johns County on December 13, 2016 and recorded in Official Records Book 4333, Page 408 of the Public Records for St. Johns County, Florida;

WHEREAS, the St. Johns County Board of County Commissioners duly noticed and on June 6, 2017, held a public hearing on the application as required by Section 380.06, Florida Statutes, and afforded the public and all affected parties an opportunity to be heard and to present evidence.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. The proposed Amendment to the DRI is not in an area designated as an Area of Critical State Concern pursuant to the provisions of Section 380.05, Florida Statutes (2017).

2. The proposed Amendment to the DRI is consistent with the State Comprehensive Plan.

3. The proposed Amendment is consistent with the Strategic Regional Policy Plan adopted by the Northeast Florida Regional Council.

4. The proposed Amendment to the DRI is consistent with the 2025 St. Johns County Comprehensive Plan and the St. Johns County land development regulations.

5. The proposed Amendment to the DRI meets the applicable criteria under Section 380.06(19)(2)e, Florida Statutes (2016) for a non-notice of proposed change amendment to an existing development of regional impact.

6. The revised Section 30 attached as Exhibit 1 does hereby replace the current Section 30 contained in the Amended and Restated Development Order. Otherwise all other terms and conditions of the Amended and Restated Development Order are unchanged.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of St. Johns County, Florida, in public hearing duly constituted and assembled on June 6, 2017 that the DRI is hereby amended and approved,
